

Research grant announcement

COSECSA-WiSA, RCSI and the J&J Foundation are proud to announce the Inaugural **WOMEN IN SURGERY RESEARCH GRANT (WISURG)**

The grant is a collaborative effort aimed at fostering increased participation of female surgeons in high quality clinical research in the East Central and Southern African (ECSA) region.

The Grant

3 pillars of support:

- A US\$5,000 financial grant
- A bespoke research methodology training programme for grant recipients
- Assigned mentor(s) and/or research supervisor(s) as needed

Closing Date: November 15th

2023

For application guidelines and application forms for this grant and other WiSA grants available in collaboration with partners, visit
